*Final determination of the category and type of presentation will be made by the Program Committee and notified to the presenter via email.

Save & Continue

Subject Required

Select your Topic and presentation type.

Category

ex.) Topic 7: Nonlinear Physics

Presentation Type Required

Oral Poster

Title

Please enter the title of your presentation within the character limit displayed in the input box. Please make sure there are no mistakes in the title, as the text entered below will be displayed as is on the conference website.

[Important Note]

1. The number of characters entered into the form is automatically checked against the configured character limit. An error message will be displayed if your text exceeds the limit.
2. You can enter mathematical and other special symbols, but the number of characters will count against the character limit. To preview your title, click on "Save & Continue".
3. Copying and pasting the text directly from MS Word may cause unnecessary line breaks and wrong character formatting. Please refer to "[available symbols](#)" for symbols section for a list of symbols you can use in the form.
4. When you copy and paste Greek characters such as " α " " β " from MS-Word (input using the "Symbol" font), they will be changed into English characters such as "a" and "b" in the form. Please use the "[available symbols](#)" instead (e.g., "a" and "b").
